TOMMY TOUR 2017

Fotó Photography **Oleg Borisuk**
Stylist Stylist **Bognár Hajnalka**

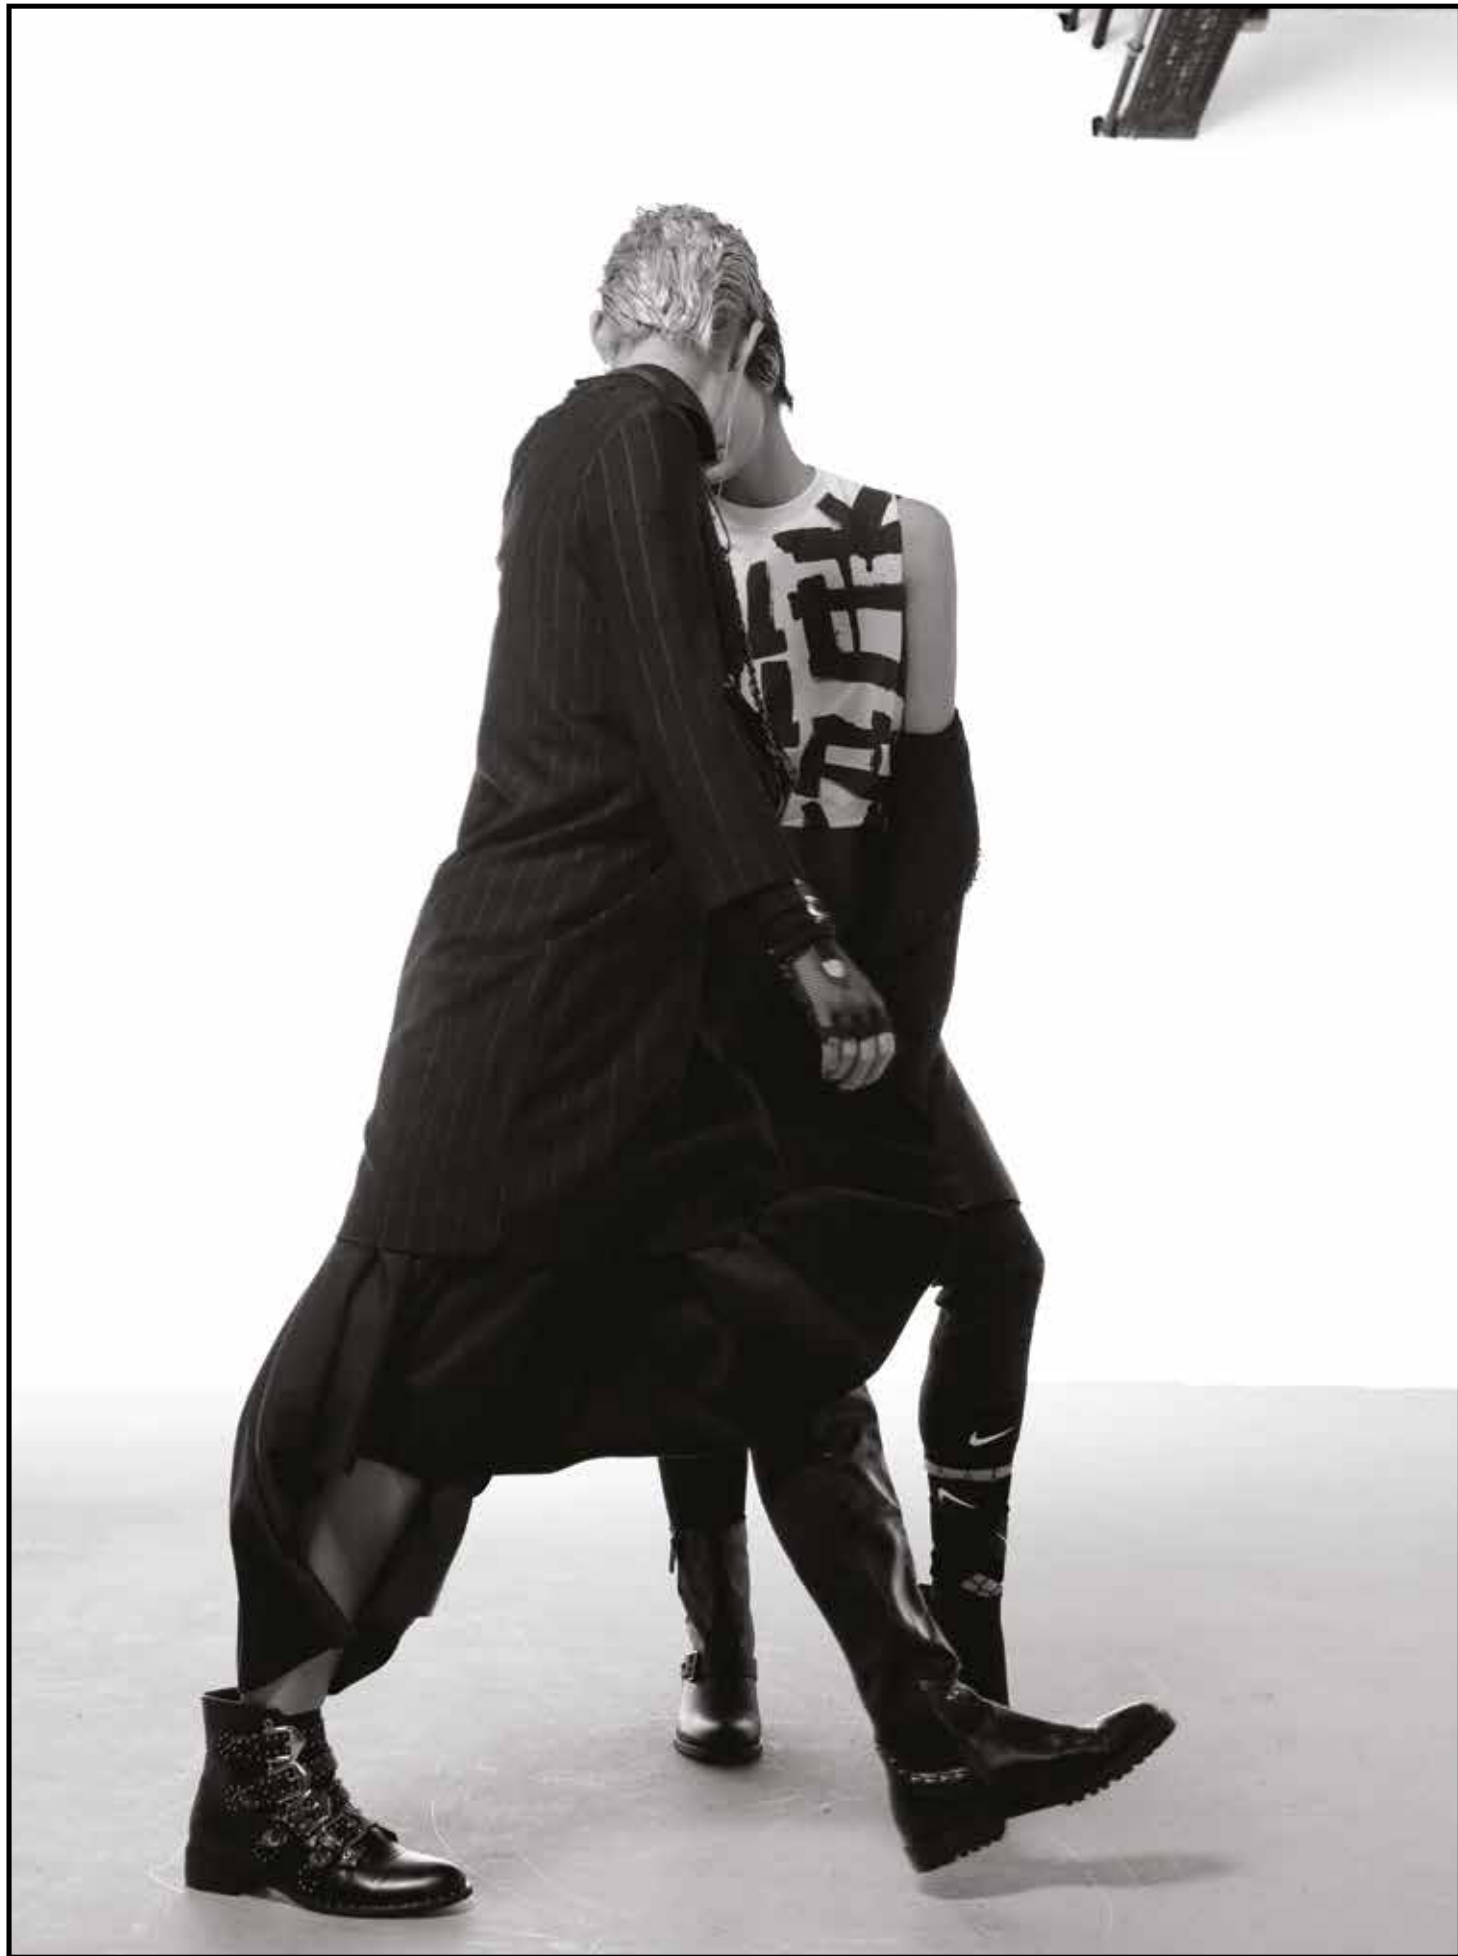

2017 is the year we speak up. The year we march on the streets, the year we want our voices to be heard. We demonstrate, we fight, we shout out for our opinions, for our identity. We choose our leaders from ourselves. We dare to be ugly, we dare to be sweet, we dare to be gay and the hell, should tell us who we are? We should – and we would!
